

BID BULLETIN NO. 1

PROJECT - ASEP-SHS-18-05: Supply and Installation of 7,500 Solar Home System Packages in SOCOTECO II

DATE - 02 October 2018

1. Part B: Project Implementation and SHS Installation, B.1 Overall quantities and location of systems.

The list below provides the location of the 7,500 target households of SOCOTECO II. The specific households signed up from these target areas will be drawn from these locations. The location for the vending machine will be selected based on the density of SHS installations and accessibility to the MCs. Please disregard the earlier list erroneously provided as it is for another electric cooperative.
